For your safety, be sure to check the “Let’s have fun and be safe” board located at the entrance of each ride. Please take a moment to read carefully before considering a ride or attraction for you and your child. For your safety, exceptions to the posted ride restrictions are not possible.

Therefore, in case of an emergency or ride evacuation where you might require extra help or assistance, we ask that you be accompanied by someone who knows the best way to lift or carry you to ensure a safe evacuation.

The Park also provides special accommodations for hearing disabilities. You will need to contact Guest Services two weeks prior to your visit at (760) 918-LEGO.
